

Validation Statement

Decretal Environmental Audit

AIB-VINÇOTTE INTERNATIONAL nv, Brussels - Belgium

Based upon the results of visits to the objectionable establishment, of interviews, and of the investigation of the documentation, the data and the information, documented in the verification report number **60254736_INEOS_DMA_2008.doc**, AIB-VINÇOTTE International has concluded:

- That the environmental audit of:

Installations INEOS NV and DOW and MPM exploited by INEOS NV

located at

***Nieuwe Weg 1
Haven 1053
2030 Zwijndrecht***

meets the requirements of article 4.1.9.2.5. of the Decree of the Flemish government of June 1, 1995, concerning general and sector-specific requirements regarding environmental hygiene (VLAREM II);

- that the data and the information in the report of this environmental audit :
DECRETALE MILIEUAUDIT 2009 – Period September 22, 2009
are reliable, and that they deal with the environmental problems of the objectionable establishment concerned in an efficient manner.

Statement number: **06 DMA 091a**
Date of issue: **October 05, 2009**

For the environmental verifier:

A handwritten signature in blue ink, consisting of a large loop and a smaller loop, with a horizontal line extending to the right.

ir. Paul Olivier
Chairman Certification Commission
